II. Теми за устен изпит

1. Can you easily talk about your feelings? Who do you talk to if you have a problem? Would it be different if it was a man or a woman? Do you think you're good at sorting out problems?
2. "Shop till you drop!" – is that your shopping style? Why or why not? Do you believe in "shopping therapy"? Why or why not?
3. Think of a film that has somehow inspired you. Tell its story. Then tell yours.
4. Have you ever moved in your life? If you needed to choose a place to live, what would it be? Why?
5. You will be given an advert. Imagine you are at a job interview. How would you persuade the interviewer that you are the right person for the job?
6. Make a short list of three jobs you would like to do and three jobs you wouldn't like to do. Tell the reasons about your choice.
7. How important is technology today? Does it help or prevent us from living a 'real' life?
- 8.
